## **WORSHIP FOCUS - FROM HIS BREAST SHALL FLOW FOUNTAINS OF LIVING WATER**

This week's worship focus has been on how Jesus is always on hand to help us when we need him. We will, at times, have a thirst for his support and guidance and he will always be on hand to quench our thirst. We celebrate the feast of Pentecost this Sunday, when the Holy Spirit descended from Heaven and appeared as tongues of fire above the heads of the disciples.

After half-term, we will start sharing a resource which hasn't been used in school for some time. This resource is called the 'Wednesday Word.' It is an online resource which can be printed off and shared. Our GIFT team will start to utilise it in school within their bible study sessions and we will have printed copies available from the school office should any parents need copies to use at home.

Class Mass will continue when we return after half-term. The first Mass will be for our Year 2 class at 9:45am on Friday, 9<sup>th</sup> June. We hope you can join us.

**PTFA BBQ**  
Following the success of their Quiz Night, our PTFA are looking to restart our annual Summer BBQ. This is scheduled to take place on Friday 14<sup>th</sup> July from 6pm - 9pm - **SAVE THIS DATE IN YOUR DIARY!**  
  
In preparation for the event, we are searching for local business to sponsor parts of the event. In return for their sponsorship, the companies will have their name displayed on advertisements for the event and signage will be up on the night advertising them. If you know of any local business who may be interested in sponsoring us to raise money for our children, please ask them to get in touch with Mr Kennedy in school.  
  
Our PTFA are also trying to create a database of people who will be able to contribute to our PTFA over the next few months and years ahead. We know not everybody is able to attend meetings however you might be willing to volunteer and help organise certain aspects, you might have a local business that can help source things for events or offer discounts, maybe someone in your family can help us out or you might have a special skill that we could call upon for a certain event or just have fabulous contacts that would help us. If you do, please can you spend a couple of minutes sharing this information through this online form: [INSERT LINK HERE](#)  
  
Finally, in preparation for the BBQ, we will be holding some non-uniform days in school in exchange for donations to the various stalls: Friday 9<sup>th</sup> June - Jarbola (jars filled with anything you have), Friday 30<sup>th</sup> June - Chocolate Tombola and Friday 7<sup>th</sup> July - Bottle Tombola. Thank you for your support.

## **SKIPPING ROPE WORKSHOPS**

I am pleased to inform you that we have invited Skipping Workshops Ltd to hold an all-day skipping workshop when every child will have the opportunity to learn a range of skipping skills. The team coach will work with groups of children throughout the day, introducing a variety of skipping skills for all children to access.

The gymnastic speed ropes the children (infant or junior) will be using during the day will be on sale at home time and for a further period at a cost of £4.80 each. For parents who are interested in exercising with their children, or who simply want some useful exercise themselves, special adult ropes are available at a cost of £6.00 each. The ropes are made to a high standard, are light and easy to use and allow children and adults to progress rapidly with their new skills. If you would like to purchase a gymnastic speed rope for either yourself or your child, please complete the form on Parent Pay.
