## WORSHIP FOCUS

This week we have been focussing on the feeding of the 5,000 and how the people ate as much as they wanted. We have discussed how we can identify our talents and gifts and use them to help other people. The more we use them, the more we are feeding others and bringing joy to their lives.

Next week we will be learning about how we can follow Jesus and how Jesus asked his followers to commit to him.

## AFTER SCHOOL CLUBS

We have a range of After School Activities which operate every week, from dance to football, drawing to GIFT team. Collection at the end of these clubs is proving difficult for staff in school to manage as some parents are coming through the After School Club gate and into the junior yard to collect their child/ren. From next week, collection can only be made at the main entrance on Knowles Street. This is to ensure we are safeguarding all children on site. Any parents who attempt to enter through the gate on St. Charles' Road will be redirected by After School Club staff to the main entrance. Thank you for your understanding.

## SCHOOL UNIFORM POLICY CONSULTATION

As preparations are made for the start of the new school year, we have been reviewing our curriculum and trying to identify ways that we can maximise the learning time the children have in school. We are considering adopting a PE policy from other schools. This policy will see children coming to school in their PE kits on their designated PE days (which will be increasing to two PE lessons a week). This is to minimise the learning time lost when children are getting changed before and after their lesson. The policy will be updated to allow children the opportunity to wear the following as part of their PE kit as well as the current items already listed:

- jogging bottoms or leggings,
- a St. Charles' sports hoodie (or plain red hoodie or school jumper)
- trainers

As always, this change will not be implemented to the uniform policy without parental consultation. Please click on the link below to share your thoughts and opinions on this proposal or the link within the uniform section of our school website ([www.st-charles.lancs.sch.uk](http://www.st-charles.lancs.sch.uk)).

## CLASS PHOTOGRAPHS

Tiny Pixels were in school on Monday morning to take class photographs. The pictures are now live. They have sent through the codes for you to order your child's class photo. The code for your class has been posted as a message to you on ClassDojo! The website address for you to access the pictures is: [www.tinypixels.gotphoto.co.uk](http://www.tinypixels.gotphoto.co.uk) and the photographs will be live until 10 July 2022, in order to be processed before the end of the school term.

Please contact the school office if you need any further information.

## DIARY DATES – SUMMER TERM

Please make sure you check the diary dates section on the next page to keep up to date with all the events we have planned between now and the end of the academic year. We hope that there won't be any changes to these. Any changes will be communicated with plenty of notice where possible.
