

Transition Activity

Today you are **YOU**,
that is **TRUER** than true.
There is **NO ONE** alive
who is **YOUER** than **YOU!**

We would love you to complete an 'All About Me' activity to let your new teacher find out all about you!

You could make a poster, write a letter, draw a picture, send in some photos or even make a video for your new teacher. You could include:

Hobbies

Favourite

Family

book

**What
