

THE ST CHARLES' COMMUNITY NEWSLETTER

Friday 3rd July 2020
"Bring Forth Christ"

Determination Friendship Good Manners Respect Responsibility
ART WEEK

It has been a very creative atmosphere in school this week as our Key Worker children have enjoyed doing lots of fantastic work and I know we've been sent in some work from home. I really liked the look of Iona's fairy dress which she shared with us.

If you still want some pieces of paper to do some artwork to go around school for when we return, please let school know and we will have some ready for you.

NEXT WEEK'S THEME: **SPORT**

Next week, the focus will be on sport and we have lots of amazing activities planned for you to do at home. We've got some activities linked to a stay at home sports day to help develop lots of your skills but we've also got some activities to challenge your brains. We hope you enjoy these. Please make sure you send in your pictures and videos of what you've been up to at home.

SEPTEMBER 2020

Yesterday we received guidance on what September will look like in schools. As I'm sure you will understand, there is a lot of planning which needs to be done ahead of September and I hope to be in a position next week to communicate any changes which we will need to make to ensure the safety of all members of our St. Charles' RCP School community. Once this information has been shared with you, please don't hesitate to get in touch with school if you have any questions.

As mentioned in last week's newsletter, school will close at 3:30pm on Wednesday 22nd July for the summer holidays and we have now been informed by the Department for Education that there is no expectation that schools are expected to remain open past this point. I will share information about local holiday clubs when I receive it.

END OF YEAR MASS INVITATION

An end of year Mass will be celebrated by Bishop John from the Cathedral Church of St John The Evangelist, Salford on Friday 10 July 2020 at 11am.

You and the whole school community - governors, staff, children and parents - are invited to join a live-streamed Mass from the Cathedral. The Mass is intended to touch all members of the school community and to give thanks for what has been a very difficult and challenging school year. The Mass will be live-streamed by the cathedral's live-streaming service, which can be accessed through the link below. It can be viewed in any web browser from any computer. If the Mass was being broadcast into a large room, you would require good quality sound for those wanting to attend.

ST. CHARLES' RC CHURCH

Please can you remember our wonderful church in your prayers at the minute. There has been significant damage to it recently following the recent rain showers. This has caused considerable damage to the flat roofs, electricity supply and plaster falling from the walls. The Diocesan surveyor has visited the site and we are awaiting his findings.

OUR THEME FOR THIS WEEK IS:

SPORT

HERE ARE SOME ACTIVITY IDEAS

Have a go at as many of these activities as you want! Worksheets to support this work will be posted in the Covid-19 section by Monday.

Worksheets

MONDAY	<ul style="list-style-type: none"> This year the Olympic Games should have taken place in Tokyo 2020 but they have been cancelled. Research the history of the Olympic Games and see what you can find out. https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/z36j7ty Why not try your own 'stay at home sports day'? See the Lancashire School Games Document. We would love to see your results! Learn the school games dance and send us your videos: https://lancshireschoolgames.co.uk/spar-virtual-lancashire-school-games-2020-celebration-dance/ (See Worksheets for invite) Join a live yoga class from the comfort of your own home - see the information below.
TUESDAY	<ul style="list-style-type: none"> Complete the Sports Day word unscramble (see Worksheets) Complete the A-Z of Sports activity challenge. How many different sports can you think of? Can you try some of them out at home? (See Worksheets) Get creative and design a new medal that could be awarded at Sports Day. (See Worksheets) What would you do if you could invent a new sport? Come up with some ideas and complete the activity sheet. (See Worksheets)
WEDNESDAY	<ul style="list-style-type: none"> Get your brain warmed up and see how many words you can find in the sports word search. (See Worksheets) Have a go at Geocaching - the world's largest treasure hunt. More information and a video can be found here - https://www.geocaching.com/play Always complete this activity with an adult. Hold your own virtual Sports Day whilst raising money for CAFOD. There is a link to donate to on their website. https://cafod.org.uk/News/Events/Summer-hope-assembly Make a treasure hunt! Give each person playing a sheet of paper with clues. For example, "Which house has a letterbox in a certain shape?" and "Name three crossroads with four-way stop signs." Set geographic boundaries to make sure everyone stays within a safe area. The first person to return with correct answers wins.
THURSDAY	<ul style="list-style-type: none"> Sports are enjoyed all over the world. Complete the Geography Scattegories activity and test your geographical knowledge. (See Worksheets) Look at some of the activities that you can do at home to hold your own Sports Day! How many can you complete? Can you challenge your family members? Send us your photos! (See Worksheets) At this time of year, we normally do our 2K colour run. Why not get in the spirit with your family members, all get dressed in the same colour and complete your own 2K run? Please share your photos and videos with us! What is your favourite sport? Can you make it into a model? You might make a Lego football pitch, bake a tennis court cake, build an athletics track out of bricks or make your own netball hoop!
FRIDAY	<ul style="list-style-type: none"> Research a famous sports person. You'll find lots of information here, as well as colouring pages and learn-to-draw tutorials: https://www.activityvillage.co.uk/famous-sports-people What would you like to wear for PE? Design a new PE kit for St Charles' and be as creative as you can! (See Worksheets) Create your own obstacle course at home. Look at these ideas for some inspiration: https://playtivities.com/obstacle-courses-for-kids/
